TRADITION ELEVATION

LEGACY ELEVATION

# THE COVINGTON

2,841 Square Feet

3 Bedroom | 2½ Bath | 2 Story

The guaranteed completion program

We guarantee not only that your home will be built on time, but that it will be built right. How can we guarantee both? By having a process that is so meticulously planned and managed, it eliminates the delays and do-overs that plague the typical homebuilding project. In other words, we don't really work faster. We just work better.

For all the right reasons™
